Re: **Sauget Sites Area I - magnetometry survey contours**

Per your request via phone call today, enclosed are copies of the Magnetometer Contours and Soil Gas Survey maps for:

Site G, Figure 6
Site H, Figure 7
Site I, Figure 8
Site L, Figure 9
Site N, Figure 10

These figures are located in the "Figures" section, Volume 6 of 9 of the Field Sampling Report, originally submitted to the Agency on October 10, 2000. Only U. S. EPA received a copy of this 9-volume report.

We would be happy to provide any additional information your review may require.
